

Insights Science Discovery – STEAM Educator

Job Description

Hours per week: 10-30 depending on program workload **Rate:** \$14.00 - \$15.00/hr

Afterschool STEAM Educators will be responsible for providing 1 hour of STEAM enrichment and 2 hours of sports, activities and other activities for 6th-8th grade students on Clint ISD Middle School campuses between 4 and 7pm, Monday - Friday. Summer and Intersession camps will also be provided. All curriculum, materials, and prep time will be provided. Campus and staff will be available on campus to help facilitate programming and student support.

Required Qualifications:

- Have teaching or informal education experience
- Be interested in STEAM education
- Be able to dependably attend all work throughout the school year
- Be fluent in both English and Spanish
- Have an outgoing personality
- Have great communication skills
- Be good problem solvers and be able to adapt to new situations
- Ability to lift **up to** 50 pounds (outreach kits) and lead tours on uneven, rocky ground.
- Must pass a Background Check and have transportation, driver's license and insurance.

Position Responsibilities:

- After school program sites include:
- Clint Junior High School
- Ricardo Estrada Junior High School
- East Montana Middle School
- Horizon Middle School
- Various outreach events

As a member of the STEAMTEAM, we will also offer additional paid STEAM educational opportunities at a variety of times via INSIGHTS workshops, family nights, Nerd Nights and Pop Up Museum events.

We also offer monthly gasoline bonus of \$80 and a \$500 annual bonus for our employees.
