CONTINUING EDUCATION AT UTEP

Insights STEAM Camps

The Insights El Paso Science Center has provided engaging, hands-on Science, Technology, Engineering, Arts and Mathematics (STEAM) learning opportunities to the Border Region for over 40 years.

Now a 100% mobile museum, Insights offers a variety of hands-on, fun summer camps designed to introduce STEAM concepts, technology and careers to kids. Though campers will never know it, they'll also be reviewing grade-appropriate academic standards while building a robot, designing a real gumball machine or experimenting with circuits. Camps will be packed with a multitude of "Ooh" and "Aah" moments alongside scientific explanations of the phenomena being witnessed.

For all Insights camps:

Fee: \$185 | Early Bird Fee: \$166.50*

* To receive discount, enroll for any summer course by May 31, 2023. Discount may not be combined with any other discounts.

Entering Grades 3-5

Insights' Fairy Tale Engineering Camp

June 5-9: M, Tu, W, Th and F from 9 a.m.-noon

Insights' Meet the mBot Camp

June 12-16: M, Tu, W, Th and F from 1-4 p.m.
